Scope and Contents

This series contains essential records necessary for my family's life. I think of it as what would be needed to bring in case of an evacuation from a hurricane. This Series contains 3 Sub-Series, so divided as follows: Sub-Series A: Vital records include passports, social security cards and information, college transcripts, birth certificates, and my marriage license. Sub-Series B: This includes records relating to our home and car ownership. Specifically, it consists of our homeowner's insurance policy, mortgage and other home purchase information, utility documents, title to my vehicles. Sub-Series C: This includes our tax documents organized by year with separate files for pay stubs and receipts since my spouse is clergy and we qualify for a housing allowance of which we must keep track.
